MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Army Standard for Holistic Health and Fitness (H2F) System Soldier Performance Readiness Center (SPRC)

1. The enclosed Army Standard (hereinafter 'standard') for the SPRC is hereby approved for implementation. It supersedes the Army Standard promulgated on 04 June 2021. The Army standard applies to Active Component facilities on Army installations.

2. The standard is mandatory for Military Construction (MILCON) Army projects in the FY25 program and beyond and Restoration and Modernization projects FY23 and beyond. USACE Center of Standardization will develop and maintain Standard Designs consistent with this standard and MILCON business processes. This standard also applies to the maximum extent practical to projects that fall under authority of repair of facilities, United States code, Title 10, section 2811.

3. Installation Status Report-Infrastructure quality and functionality assessments and Real Property Planning and Analysis System methodologies will be updated to reflect the Army Standard in coordination with the POCs listed below.

4. The Soldier Performance Readiness Center Facility Design Team members are Mr. Donald Gregg, DCS, G-3/5/7, DAMO-TR, donald.j.gregg.civ@army.mil, Ms. Kathryn Haught, DCS, G-9, DAIN-ODR, kathryn.j.haught.civ@army.mil. The USACE Center of Standardization FDT Representative is Mr. Ross Allen, CEHNC-ED, Ross.Allen@usace.army.mil.
