

UFC 4-711-01

18-March 2024

Currently the UFC 4-711-01 (Change 2, dated 14 February 2024) posted on Whole Building Design Guide (<https://www.wbdg.org/ffc/dod/unified-facilities-criteria-ufc/ufc-4-711-01>) does not reflect all of the Army AFH proponent (DCS, G9-ISH) approved revisions. Until this version is updated accordingly, contact the AFH COS prior to application of the UFC to your project. These proponent revisions include but are not limited to the following:

- Table 4-1: Increase in the O9/O10 dwelling unit programming benchmark to 4,000 GSF
- Para 4-1.1: clarification in dwelling unit square footage exclusions of common spaces in an apartment-style unit(s)
- Para 4-2.13: specificity for provision of at least one linen closet.
